Language: English

ISBN-10: 0804126194

ISBN-13: 978-0804126199

Product Dimensions: 8.4 x 0.9 x 10.9 inches

Shipping Weight: 1.4 pounds

Average Customer Review: 4.3 out of 5 stars • See all reviews (78 customer reviews)

Best Sellers Rank: #91,446 in Books (See Top 100 in Books) #50 in Books > History > Historical Study & Educational Resources > Study & Teaching #132 in Books > Education & Teaching > Higher & Continuing Education > Test Preparation > College Entrance #182 in Books > Education & Teaching > Higher & Continuing Education > Test Preparation > Advanced Placement

## Customer Reviews

This is an excellent study guide for the 2016 AP Euro exam. I self-studied for the exam this year and can say with confidence that the Princeton Review AP Euro series contains a tremendous amount of AP Euro content and strategies. In order to study for the exam, I watched YouTube videos, did questions on Learnorator, and read two review books. This strategy was extremely effective; I was confident answering almost every question on the test. If you are aiming for less than what I wanted, lower than a 4 or 5, this book alone will most likely earn you it. Inside the review book, there are around 450 pages of varying categories. The book contains tips for each section of the exam, a 200 page content review section, and two practice exams with answer explanations provided. There are content chapters from 1450-1648, 1648-1815, 1815-1914, and 1914-the present day. Each is quite lengthy and should be done over multiple sittings. In addition, at the end of each content chapter, a quiz of around 20 questions is given. These are great estimators of what you know about the content chapters. Compared to the REA AP Euro book, which I also read, this book is much more detailed and comprehensive. The REA book is only an outline for the test content and does not provide detailed descriptions of what occurred from 1450-the present day in Europe. However, it does provide a great summary of the material most likely to be on the test. Therefore, I would recommend using the REA book as a last-minute cramming tool on the day of the exam. Actively reading the Princeton Review AP Euro book two times over (this means taking notes in the margins and underlining key information) will expose any diligent reader to the content necessary for success on the exam.
