This is the fourth of four books by Joseph Pearce that I have read. I am a Roman Catholic so he is Catholic perspective on Tolkein and Shakespeare has greatly increased my enjoyment of these authors.

Great informative reflection on the epic series *The Lord of the Rings*. It highlights key events in the story to explain the Catholic comparison. For Tolkien himself was a Catholic and he said, in a letter to Robert Murray, "The Lord of the Rings is of course a fundamentally religious and Catholic work,"

he wrote, "unconsciously so at first, but consciously in the revision. That is why I have not put in, or have cut out, practically all references to anything like "religion", to cults or practices, in the Imaginary world. For the religious element is absorbed into the story and the symbolism" (Pearce, pg 1).

Great book! A must read for both Tolkien fans as well as faith seekers.

A must read!
