Writing For Academic Success (SAGE Study Skills Series)

Synopsis

Writing for Academic Success is a vital practical guide for any graduate student. The authors show you how to acquire communicative rigor in research essays, reports, book and article reviews, exam papers, research proposals, and literature reviews, through to thesis writing, posters and papers for presentation and publication. This Second Edition has been fully revised to reflect the online learning explosion. The authors provide insightful new material about how to work productively in different online contexts such as with blogs and wikis, setting up an e-portfolio, and raising an online profile. They also set out a focused guide to issues unique to digital communication, and working with and across different media and technologies.

Customer Reviews

I have never been a good writer in or out of school, since reading this book writing for Academic Success publish by Gail Creswell, and Megan Poore. I hope to create a measure of success as well as my work to help others success. This book speaks for itself, and what writing for academic do? Writing impacts our lives as well as our work. The measures may be quantifiable or qualitative, but they are observable in some way. For example, it reflects the purpose, mission, and hopes of changed to continue whether in school or out within each situation.

Needed textbook as part of MPhil course - arrived the day before the workshop ! Has some good
