Soldiering In The Army Of Tennessee: A Portrait Of Life In A Confederate Army (Civil War America)

Synopsis

In *Soldiering in the Army of Tennessee* Larry Daniel offers a view from the trenches of the Confederate Army of Tennessee. His book is not the story of the commanders, but rather shows in intimate detail what the war in the western theater was like for the enlisted men. Daniel argues that the unity of the Army of Tennessee--unlike that of Robert E. Lee's Army of Northern Virginia--can be understood only by viewing the army from the bottom up rather than the top down. The western army had neither strong leadership nor battlefield victories to sustain it, yet it maintained its cohesiveness. The "glue" that kept the men in the ranks included fear of punishment, a well-timed religious revival that stressed commitment and sacrifice, and a sense of comradeship developed through the common experience of serving under losing generals. The soldiers here tell the story in their own rich words, for Daniel quotes from an impressive variety of sources, drawing upon his reading of the letters and diaries of more than 350 soldiers as well as scores of postwar memoirs. They write about rations, ordnance, medical care, punishments, the hardships of extensive campaigning, morale, and battle. While eastern and western soldiers were more alike than different, Daniel says, there were certain subtle variances. Western troops were less disciplined, a bit rougher, and less troubled by class divisions than their eastern counterparts. Daniel concludes that shared suffering and a belief in the ability to overcome adversity bonded the soldiers of the Army of Tennessee into a resilient fighting force.

Book Information

Series: Civil War America

Hardcover: 249 pages

Publisher: The University of North Carolina Press; First edition (December 14, 1991)

Language: English

ISBN-10: 0807820040

ISBN-13: 978-0807820049

Product Dimensions: 9.3 x 6.4 x 1 inches

Shipping Weight: 1.2 pounds

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (6 customer reviews)

Customer Reviews

Finally, A book that goes into detail on the soldiers of the Army of Tennessee. This books quotes from diaries and letters from the Soldiers themselves. This is a true treasure!! I would also suggest The Army of the Heartland and Autumn of Glory by Thomas Connelly in addtion to this book. Both of these detail the Army of Tennessee from its founding until its surrender in Bentonville NC in 1865. I highly reccomend this book!!

Virginia, self-promoted, has captured the Civil War story. The endless books on the Army of Northern Virginia, Picketts Charge, etc. aided and abetted by an East Coast army of historians, have neglected the War in the West, which captured 90% of the Confederacy. The long-suffering and usually defeated Confederate Army of Tennessee has received the attention of few historians, but Larry Daniel is remedying this neglect with this and other excellent books.

Mr. Daniel's book is a great place to start if you have an interest in the Confederate Army of Tennessee. It's a soldier's point of view of all things military. To fully understand this interesting army you will still need to go to Thomas Connelly's masterful "Army of The Heartland" and "Autumn of Glory", but start here. If you've already read Connelly then this book is a great compliment to those works.
