## Customer Reviews

This is more than a deck of cards -- it's Sun Tzu and steps for developing successful strategy in one. And I was amazed at the quality of these cards. They won't fall apart like simple playing cards. This is a great companion to Mr. Cantrell's book, Understanding Sun Tzu on the Art of War. I'm recommending these strategy cards to my company training department so we can all improve our business skills.

Excellent examination of the principles contained in 'The Art Of War' applying them to parallel situations in business as well as other areas.

its a really good book that i invested in . such great work , such a legend classic ! 5 stars

It's great way to review in your spare time.
