Clouds Of Glory: The Life And Legend Of Robert E. Lee

Synopsis

New York Times bestselling author Michael Korda's fresh, contemporary single volume historical biography of General Robert E. Lee "perhaps the most famous and least understood legend in American history and one of our most admired heroes. Michael Korda, author of *Ulysses S. Grant* and the bestsellers *Ike* and *Hero*, paints a vivid and admiring portrait of Lee as a brilliant general, a devoted family man, and principled gentleman who disliked slavery and disagreed with secession, yet who refused command of the Union Army in 1861 because he could not "draw his sword" against his beloved Virginia. Well-rounded and realistic, *Clouds of Glory* analyzes Lee's command during the Civil War and explores his responsibility for the fatal stalemate at Antietam, his defeat at Gettysburg (as well the many troubling controversies still surrounding it) and ultimately, his failed strategy for winning the war. As Korda shows, Lee's dignity, courage, leadership, and modesty made him a hero on both sides of the Mason-Dixon Line and a revered American icon who is recognized today as the nation's preeminent military leader. *Clouds of Glory* features dozens of stunning illustrations, some never before seen, including twelve pages of color, twenty-four pages of black-and-white, and nearly fifty in-text battle maps.

Customer Reviews

Robert Edward Lee (1807-1870) was one of the great military captains of all times. Lee was a man of honor whose eventful life is well served by Michael Korda in this excellent new biography. Korda is the author of such biographies as those dealing with U.S. Grant; T.E. Lawrence of Arabia and

Dwight D. Eisenhower Michael Korda is not a trained Civil War historian so he adds a fresh look at Lee from the perspective of an author who has done his research to produce the best Lee biography in years. Robert E. Lee was the son of Light Horse Harry Lee the American Revolutionary War hero, Governor of Virginia and scion of old Virginia. Light Horse Harry was also a man burdened by scandal who became bankrupt dying in disgrace. R. E. Lee cared for his invalid mother. Lee graduated from West Point in 1829 graduating second in his class. He wed a wealthy woman and was enabled to live at Arlington. Lee was in awe of George Washington his beau ideal of a soldier and leader. Lee and Mary had seven children. Three of them were boys'; all served in the Confederate Army. Lee assumed command of the Army of Northern Virginia on June 1, 1862. In short order Lee led his outnumbered troops in battle winning victory at the Seven Days near Richmond'; Second Manassas, Antietam (a draw against the Army of the Potomac under the sluggish leadership of George B. McClellan) Fredricksburg and Chancellorsville (it was at this battle that Lee lost Stonewall Jackson who died on May 10, 1863 after he had been wounded by his own men). Lee and his troops met defeat at Gettysburg but continued to fight to the bitter end against Grant in the Overland Campaign which ended with surrender on April 9, 1865. All of these facts are well know to historians.
