Valerie Horn is a lupus patient that has been battling lupus for over fifty years. While living in New York City, her parents did whatever they could by taking her from hospital to hospital, until that one special doctor made a difference in her life. She shares her life story with admirable strength and courage, as she takes you through her most precious and private moments. You will follow Valerie's journey from childhood, when she was first diagnosed, all the way into adulthood, as she talks about her marriage and divorce and raising a child. Her leap at love again left her heartbroken in another state, with two more children to raise alone. "Lupus: The Battle Within," is a glimpse into the daily struggle that so many lupus patients face, but may be too ashamed to talk about. In Horn's debut memoir, you are reminded that you are NOT alone. You can persevere like a champion, and leave a legacy for your family to remember forever.
