## Customer Reviews

Most important, my daughter loved it. she called me and we enjoyed having her read almost every page. since I sent it straight from , I did not know what was written in it. She had been having a bad time and the words were very comforting for her. Then I ordered one to keep here at home. I enjoyed reading it too.

I was looking for some positive book that I could give to my daughter for a little gift. This was perfect. I liked that this book reflects many of the feelings that I have that often my daughter can't hear me say over her teenage year issues. I am hopeful that she will remember the things in this book as she goes through these difficult teen years. It is exactly as pictured. It is bright and colorful and positive. It is uplifting and positive.

Well-written. Great to read aloud and discuss. Good for gifts. Can't get enough of Suzy Toronto!

What a beautiful keepsake gift for a mother to give her daughter. I added little pictures and captions to the book to make it even more special!

This book is so sweet and depicts everything I would want to tell my daughters. They both live far away and when they got them and read them they cried!

Last year's Suzy Toronto calendar (2014) had an inspirational message each month that I could relate to, some months almost speaking to me directly. So had to have this year's calendar. I also bought the a Suzy Toronto's book with poems for a daughter. I love this author! I highly recommend her work! The quality of the calendars and the book are great!By: Colleen, RN!
