SSAT Practice Tests: Lower Level

Synopsis

SSAT Practice Tests: Lower Level provides SSAT practice tests specifically tailored to improving the performance of students seeking admission to prestigious private elementary and middle schools. All students, however, can benefit from mastering the concepts presented in this book. This book includes 3 full-length practice tests, including 3 essay prompts (1 for each test), thorough answer explanations for every question, and a breakdown of the question types for every question type to give students a better understanding of their strengths and weaknesses.

Customer Reviews

The tests were at about the same level that you could expect on the actual SSAT. The explanations to the answers in the back of the book were easy enough for my 8yr old 3rd grader to understand. I bought just about every SSAT book on and this was in my top three of usefulness!!

The test questions and explanations are of good quality, but there is no table for converting raw scores to scaled scores. Without that information, you really can't tell how well you've done or if you're prepared for the real thing.
