Archaeology Essentials: Theories, Methods, And Practice (Third Edition)

Synopsis

The concise version of the bestselling introduction to archaeology, updated and in full colorArchaeology Essentials, already the most authoritative and accessible introduction on the market, has been updated with new discoveries, new technological innovations, revised pedagogical features, and improved illustrations. Written for todayâ™s students, Archaeology Essentials is rigorous without being over-technical and thorough without being overwhelming. The only truly global archaeology textbook available in full color, the text also provides guidance for aspiring archaeologists in the form of compelling interviews with a worldwide selection of practicing archaeologists. The third edition of Archaeology Essentials is destined to become a classic of the field. 295 color illustrations
