Synopsis

Miller's Field Guides are an invaluable resource for collectors when out buying items at antiques shops, auctions or car boot fairs. They provide a fast and accurate way to recognize, identify and date antiques. In each book a simple question-and-answer checklist is provided for a wide range of key items, teaching you what to look for as well how to spot a fake or a copy. There are price codes throughout, plus concise information on makers, factories, identifying marks and the factors that affect the value of the piece. In Glass, antiques expert and bestselling author Judith Miller guides the collector through colored, cut, pressed, etched, blown and decorated antique glass items.
