# The Summer Of Black Widows

## Synopsis

Poetry. Native American Studies. THE SUMMER OF BLACK WIDOWS presents poetry that has continued to grow in power, complexity, and vision. According to reviewer James R. Kincaid, "Mr. Alexie's is one of the major lyric voices of our time", and the many honors and an international following of readers from his poems, stories, and novels proves the claim. Chris Faatz from The Nation agrees, calling Alexie "a young writer who is taking the literary world by storm...a superb chronicler of the Native American experience...he is a master of language, writing beautifully, unsparingly and straight to the heart."

## Book Information

## Customer Reviews

Reservation Blues, which won the American Book Award in 1995, is a touching look at modern life on the Spokane Indian Reservation. When legendary blues guitarist Robert Johnson shows up on the rez with his enchanted guitar and a dark secret, Thomas Builds-the-Fire begins a journey of self-discovery and painful realization that will forever change him and his friends. After the magical guitar ends up in his hands, Thomas forms Coyote Springs, a band made up of two seemingly unmotivated drunks Victor and Junior, and two Flathead Indian sisters, Checkers and Chess. The book chronicles the bands' humble beginnings playing at the local bar on the rez to a hopeful encounter with record executives in New York City. It is within this context that Alexie is able to confront serious issues facing the Indian community today with his own subtle sense of humor. The straight forward plot is layered with metaphorical connections to a general Indian past, while each character is forced to confront haunting personal issues. For Thomas, it is the embarrassment of his

alcoholic itinerant father. For Victor, it is the sexual abuse he faced at the hand of the reservation priest. For Checkers and Chess, it is a feeling of loneliness, the search for a "good Indian man," and being seen as outcasts on a reservation not their own. Ironically, their music is the only thing which gives them a feeling of power and inner strength, yet it is the opportunities provided by this music that alienate them from their own people. Alexie believes the problems facing Indians today are the same faced by their ancestors 100 years ago. An obvious example is the names of the record executives for "Cavalry Records," Mr. Sheridan, Mr. Wright, and Mr.
